

# INVITATION FOR TEACHERS AND CAREER GUIDANCE OFFICERS

Professional Development Workshop:  
More than Gumboots and Tractors  
– Careers in the Australian Grains Industry

THURSDAY, JUNE 2, 2016

**The grains industry would like to invite teachers and career guidance officers to a professional development workshop which will explore the careers available in Queensland's grains and wider agricultural industry.**

This free event will take you on a tour through research centres and industry sites where you will see plant breeding, cereal chemistry, ag technology and a range of other grains careers in action. University and training providers will present on study pathways, prerequisites and study opportunities. They will also share tips for guiding students on an exciting agricultural careers pathway.

## ABOUT THE DAY...

**The event will be held on Thursday, June 2, 2016.**

It's a full day from 8:45am to 6:00pm, commencing at University of Southern Queensland and involves:

- > Tours of grain industry and research facilities
- > Speakers from various sectors on the grains industry including science, research technology and education

A comprehensive program can be downloaded at:  
[www.agcommunicators.com.au](http://www.agcommunicators.com.au)

**NOTE: There are limited positions available.  
First in best dressed!**

## COST

This event is free for teachers and career guidance officers. All meals, tour travel and a comprehensive showbag with education and careers resources will be provided.

## OUTCOMES

- > Create links with industry organisations for teaching inspiration and student work experience
- > Discover learning pathways into food science and grains careers
- > Receive a certificate of attendance

## THIS EVENT IS FOR

- > Teachers of science, nutrition, biology, chemistry, geography and agriculture
- > School based guidance officers or VET coordinators
